

CAR TECHNIKS & SMITHS

"Your trust is our business"

CAR TECHNIKS

is an auto body repair and detailing business founded in 2018. The passion of the owner and his enthusiasm to classy cars and automobiles led him to this company to provide the highest quality and excellent service in the industry. Attention to details is one of his key characters of the owner when it comes to his personal cars and he wants to treat all with the same passion and character.
